

VANATS Conference at VCU

February 23-24, 2024

STUDENT CHECKLIST

- **Legally purchased sheet music**

- iPads/tablet devices are recommended (for electronically purchased sheet music) as much as possible. This provides more ease with page turns.
- If using legal music in a bound score, be sure pages are set to stay open and page turns are set up well with minor folding to the corners of each page.
- If a page turner is needed, it must not be the student's applied teacher. Students need to secure their own page turner.
- **Reminder---** singers will have **two minutes** to discuss music with the staff pianist just prior to singing (**high school on Saturday**).
- Music should be easy to read with nothing missing on the score.

- **Parking**

- There is no special parking such as advanced payment.
- There is some on street parking but is short term.
- Parking decks that are available are the Cary St Deck and the Broad St Deck. Both are about 3 blocks away. \$2/hr. up to \$16 max for the day (8 hrs. or more).
- Nothing closer. All others are reserved lots and will be ticketed.

- **Honor Recitals**

- If you receive first place in your category, you have the privilege of singing one song for the honor recitals later in the day. The song you choose must be 4 minutes* or less in length. Those singers will report to the registration area 15 minutes before the scheduled honors recitals.

**Judicious cuts in the music may be made for the honors recital only.*

- **Chaperone**

- needed for those under 18 years of age. This person cannot be their teacher or pianist.

PAY SPECIAL ATTENTION TO OUR WEBSITE

www.vanats.org

- Specifically, the student auditions page which will have the most updated information throughout the week.
